The Board recommends this Resolution for your approval.

**Item No. 8**

The Members of the Company at the Annual General Meeting (‘the AGM’) held on 29th July, 2011 approved the re-appointment of Mr. Yogesh Chander Deveshwar as a Director, not liable to retire by rotation, and also as Wholetime Director and Chairman of the Company for a period of five years with effect from 5th February, 2012. Mr. Deveshwar will complete his present term on 4th February, 2017. This AGM will be his last as Chief Executive Officer of the Company. The Board of Directors of the Company (‘the Board’) have resolved to put on record on the occasion of this AGM, the immense contribution of Mr. Deveshwar to the transformation of ITC under his leadership.

It may be recalled that when Mr. Deveshwar assumed office as Executive Chairman in January, 1996, the Company was confronted with formidable challenges. The early diversification efforts had either failed or were languishing, the businesses were not competitive enough in an emerging liberalised economic environment, and the Company’s reputation was at a low ebb. It was critically important then to create a new future for the organisation by redefining a vision that would invigorate and inject new life to every sinew of the enterprise.

The contributions of Mr. Deveshwar are far too many to recount but an attempt is being made to cover some of the salient ones. Mr. Deveshwar put in place a new strategy of organisation with systems and processes supported by a digital backbone leveraging the power of information technology, and framed a three tier governance structure appropriate to a multi-business corporation infusing the concept of distributed leadership.

Mr. Deveshwar’s vision to make ITC an engine of growth for the Indian economy, keeping societal value creation as an integral part of business purpose, has led to the creation of multiple drivers of growth, world-class Indian Brands, and recognition as a global exemplar in Sustainability. ITC’s businesses and value-chains today support sustainable livelihoods for around six million people, many of whom represent the weakest sections of society.
Mr. Deveshwar’s period of Executive Chairmanship witnessed transformation of ITC into one of India’s most admired and valuable corporations. Today, ITC is a leading FMCG marketer in India, a trailblazer in premium luxury green Hotels, a clear market leader in the Indian Paperboard and Packaging industry, a player of promise in the field of Information Technology through ITC Infotech and the country’s foremost Agri business player. ITC has also created several world-class Indian Brands in the FMCG space that support the competitiveness of domestic value chains of which they are a part, ensuring creation and retention of value within the country. To make the Company future-ready, Mr. Deveshwar inspired the setting up of a globally benchmarked ITC Life Sciences and Technology Centre to drive innovation and cutting-edge R&D for next-generation products.

It may also be recalled that at the time Mr. Deveshwar took over as Executive Chairman, the Revenue of the Company was less than ₹ 5,200 crores and Profit Before Tax (PBT) was ₹ 452 crores. The Company’s Revenue has presently grown tenfold to ₹ 51,582 crores and PBT has grown 33 times to ₹ 14,958 crores. Total Shareholder Returns grew at a compound annual rate of 23.3% during this period, placing the Company amongst the foremost in the country in terms of efficiency of servicing financial capital.

Globally acknowledged as a thought and action leader, benchmarks achieved by the Company were so exemplary that the Harvard Business Review in the year 2012 ranked him the 7th Best Performing CEO in the World rubbing shoulders with icons like Steve Jobs, the then CEO of Apple, who was ranked first. In 2011, Mr. Deveshwar was conferred the Padma Bhushan, one of the highest civilian awards in the country, by the Government of India in recognition of his distinguished service of a high order to the Nation.

The Nomination & Compensation Committee and the Board have strongly urged Mr. Deveshwar to continue for a longer period in his present role. Mr. Deveshwar however expressed his desire to shed the executive role, in accordance with the indication given by him at the 100th AGM in 2011, and put in place a youthful leadership at the helm in the longer term interest of the Company. At the request of the Nomination & Compensation Committee and the Board, recognising the need for orderly transition in a company of ITC’s size and complexity, Mr. Deveshwar has instead agreed to provide guidance and mentorship to the new executive management, that is planned to be put in place, as Non-Executive Chairman on expiry of his current term.

Accordingly the Board of Directors at the meeting held on 20th May, 2016, on the recommendation of the Nomination & Compensation Committee, have recommended for the approval of the Members, the appointment of Mr. Deveshwar as Non-Executive Director, not liable to retire by rotation, and Chairman of the Company for a period of three years with effect from 5th February, 2017 on such remuneration as set out in the Resolution.

Additional information in respect of Mr. Deveshwar, pursuant to the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and the Secretarial Standard on General Meetings, is appearing in the Report and Accounts under the sections ‘Your Directors’ and ‘Report on Corporate Governance’.

Notice under Section 160 of the Companies Act, 2013 (‘the Act’) proposing the appointment of Mr. Deveshwar has been received. Requisite consent, pursuant to Section 152 of the Act, has been filed by Mr. Deveshwar.
Mr. Deveshwar and his relatives are interested in this Resolution. None of the other Directors and Key Managerial Personnel of the Company, or their relatives, is interested in this Resolution.

The Board recommends this Resolution for your approval.
